## **Centennial Middle School Athletics Handbook**

Research has shown that athletics participation is associated with higher GPAs, lower dropout rates and stronger commitments to school compared to the non-athlete student. Because of this, we encourage every student to participate. The sports that we offer to all 7-8 grade students include the following:

### **Fall**

\*Cross Country (Sept./Oct.)  
Football (Sept./Oct.)  
Volleyball (Sept./Oct.)

### **Winter**

Boys Basketball (Oct./Dec.)  
Girls Basketball (Dec./Feb.)  
\*Wrestling (Feb./Mar.)

### **Spring**

Track (April/May)

\*6<sup>th</sup> grade students can participate in Cross Country and Wrestling.

The philosophy and goals of Centennial Middle School Athletics Program are:

### **Philosophy**

The philosophy of Centennial Middle School Athletic Program is based on the belief that at this level the primary objectives will be skill development and participation. We have a no cut policy, because of this, all players that meet the eligibility requirements (see eligibility, academic eligibility, and attendance below) will participate.

### **Goals**

- **Personal Growth**

Each student athlete will realize a continuing maturity and perfection in his/her personal virtues, character traits, attitudes and habits. Each athlete should work hard, stay positive, and achieve. If this happens, we are all winners. We want everyone to mature and become better people through learning self-discipline, cooperation, integrity, hard work, and teamwork.

- **Academic Growth**

Each student athlete would realize academic success by aiming high, show constant improvement, and being placed on the honor role.

- **Athletic Growth**

Each student athlete should reach his/her greatest athletic potential, and by doing so, he/she would not only contribute to his/her own success as a middle school athlete, but to the overall success of the **team**.

“Be more concerned with your character than your reputation, because your character is what you really are, while reputation is merely what others think you are.”

-John Wooden
