All student assignments and attendance events (such as absences and tardies) also appear on the **Family Calendar**. The name of the student to whom the event or assignment relates will appear over the assignment or attendance icon, which is also a link to additional content.

Note the following information:

- Events are only displayed for the calendar structures in which a student in the family is actively enrolled.
- If the enrollment ended before the current day, the event for that day does not display.
- Day events for future enrollments in the current school year do display on the calendar.
