

ELEMENTARY SCHOOLS	
	CAUTION (In-Person Learning Level)
Instructional Model	100% In Person
Specials	Maintain Cohorting. Emphasize six feet of social distance whenever possible.
Lunch	Lunch: classrooms stay together. Grade-Level in common areas okay (no cohort mixing). Use of classrooms or other large spaces as needed for lunch areas to accommodate additional students.
Staff PPE	100% mask use throughout the day. CDC guidelines regarding fully vaccinated individuals can apply (staff gatherings of ten or fewer when all parties are fully vaccinated).
Student PPE	Mask use for children Grade Four or younger strongly encouraged when social distancing is not possible. Mask usage required for Grade Five and above.
Staff Lunches / Planning Time	Maintain social distancing whenever possible; staff members dining together, team planning, lounge use is permitted with six feet of distance and mask use.
Special Education / ELD / Interventionists	Service single grade levels (no cross grade-level mixing). Consider virtual or emphasizing a pull-out / small group resource model.
Professional Development	For all-staff PD, utilize spaces allowing for as much social distancing as possible, with no greater than 50% capacity or 175 individuals (refer to staff PPE requirements above).
Quarantine Return Policy	Eighth day return with negative PCR test and no symptoms; eleventh day return with no test and no symptoms. Two weeks after full COVID-19 vaccination, staff no longer need to quarantine due to exposure. (Binax and rapid test quarantine-abbreviation may be coming soon).
Illness Isolation Policy	Ten days out from illness onset date

SECONDARY SCHOOLS	
	CAUTION (In-Person Learning Level)
Instructional Model*	100% in-person learning
<i>*As of 3/15/21, all Montrose County School District (MCS D) secondary schools will operate at 100% in-person instruction for all students who were previously in the hybrid model, based on improving local health conditions.</i>	
Lunch	Emphasize Social Distancing of six feet as much as possible whenever dining indoors. Shorter periods of time in close contact and without masks are always better. Consider emphasizing outdoor dining as weather permits.
Staff PPE	100% mask use throughout the day. CDC guidelines regarding fully vaccinated individuals can apply (staff gatherings of ten or fewer when all parties are fully vaccinated).
Athletics	Yes; with adjusted requirements and capacities. Follow CHSAA guidelines.
Concerts	Yes; with adjusted requirements and capacities. Require the same mitigation strategies for concerts and related events as indoor sports.
Student PPE	100% PPE for students Grade Five and above.
Staff Lunches / Planning Time	Maintain social distance whenever possible; staff members dining together, team planning, lounge use is permitted with six feet of distance and mask use.
Special Education / ELD / Interventionists	Maintain cohorts (avoid cross grade-level or cohort mixing). Consider virtual or emphasizing a pull-out / small group resource model.
Professional Development	For all-staff PD, utilize spaces allowing for as much social distancing as possible, with no greater than 50% capacity or 175 individuals (refer to staff PPE requirements above).
Quarantine Return Policy	Eighth day return with negative PCR test and no symptoms; eleventh day return with no test and no symptoms. Two weeks after full COVID-19 vaccination, staff no longer need to quarantine due to exposure. (Binax and rapid test quarantine-abbreviation may be coming soon).
