## Are you interested in becoming a Substitute?

MCS D is committed to supporting the individuals who support our staff. We are seeking individuals who are interested in substituting as we have an immediate need for support. You do not have to be a licensed teacher to sub as a teacher! MCS D can help you become qualified to sub as a teacher. Not interested in subbing as a teacher?! That's ok. There are several other opportunities such as paraprofessionals (supporting teachers and students), custodial, health technicians, and secretaries.

Effective 2021-2022 school year, substitutes can now work at multiple sites.

*All candidates must be able to pass a CBI/FBI background check.*
